The New York Social Studies Resource Guide with Core Curriculum mandates Canadian Studies in the grade 5 social studies program, stressing geographic, economic and social/cultural understandings. ***Exploring Inuit Culture Curriculum*** is designed to fulfill the Content Understandings specified in the Social Studies Core Curriculum, as well as learning standards set forth in:

- ***English Language Arts Core Curriculum***
- ***Intermediate Level Science Core Curriculum Grades 5-8***
- ***Learning Standards for the Arts***

Using a combination of authentic materials developed by the Inuit of Nunavut, Canada and lesson plans aligned to the New York State Core Curriculum, students have the opportunity to explore the rich Inuit culture and unique Canadian Arctic from the perspective of its native people.

The following is a breakdown of ***Exploring Inuit Culture Curriculum*** by lesson plan. Included are the specific learning areas from the New York State Core Curriculum addressed in each lesson.
