

IsumaTV

Playlist User Manual

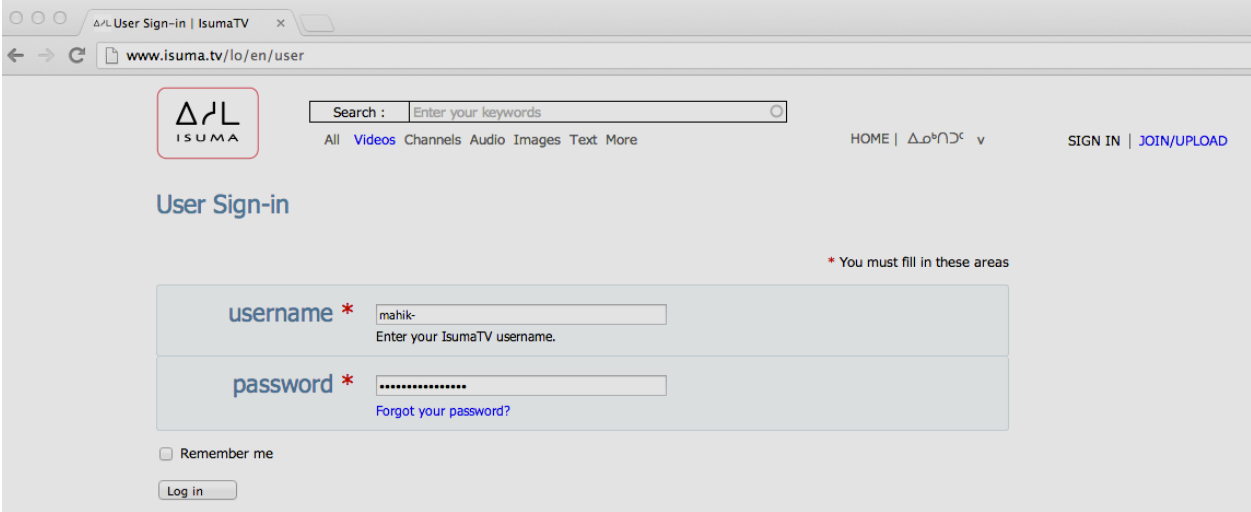

1. Open www.isuma.tv on your browser.

2. Make sure that you are connected to your IsumaTV Media Player:

The screenshot shows the IsumaTV homepage. At the top left is the IsumaTV logo. A search bar is located at the top center. Below the search bar are navigation links for 'All Videos Channels Audio Images Text More'. On the right side, there are links for 'HOME', 'MY PROFILE', and 'LOGOUT'. Below these are social media icons for email, Google+, Twitter, and Facebook. A newsletter sign-up form is also present. A green callout box with an arrow pointing to it contains the text: 'You are connected to an IsumaTV Media Player MORE INFO'. Below this, there is a section titled 'What's New Today?' with a list of recent news items.

3. Sign in with your username and password.

The screenshot shows the 'User Sign-in' page on IsumaTV. The page title is 'User Sign-in'. At the top, there is a search bar and navigation links for 'HOME' and 'SIGN IN | JOIN/UPLOAD'. Below the search bar, there is a note: '* You must fill in these areas'. The sign-in form consists of two input fields: 'username' and 'password'. The 'username' field contains the text 'mahik-' and has a subtext 'Enter your IsumaTV username.'. The 'password' field contains a series of dots and has a subtext 'Forgot your password?'. Below the form, there is a checkbox for 'Remember me' and a 'Log in' button.

4. Go to your playlist by entering this URL: www.isuma.tv/DID/tv/name_of_your_community
And click on your playlist at the bottom of the page to open it.

The screenshot displays the Cambridge Bay Television channel page on the IsumaTV website. At the top, the navigation bar includes 'Communities', 'Radio', 'Video/TV', 'Human Rights', 'Maps', and 'News'. The main header features the 'DID Digital Indigenous Democracy' logo and the IsumaTV project logo. Below the navigation is a map of the Arctic region with several location pins, one of which is labeled 'NITV'. The channel name 'Cambridge Bay Television' is prominently displayed with social media icons for Facebook, Twitter, and YouTube. The central content area features a video player for 'The owl and the Raven' with a play button overlay. Below the video is a list of recent uploads, including 'Cambridge Bay MLA Candidates Forum 1 of 2', 'Taloyoakmungauvugut mp4', 'The Owl who married the goose', 'Cambridge Bay MLA Candidates Forum 2 of 2', and 'Arctic Bay Dog Team Race April 2013'. A section titled 'Most recent content uploaded' contains three items: 'Cambridge Bay TV Playlist 02' (added May 14, 2013 by Stéphane Rituit), 'Playlist management (pdf)' (added April 20, 2013 by Stéphane Rituit), and 'Installation manual' (added April 20, 2013 by Stéphane Rituit). A green arrow points to the 'Cambridge Bay TV Playlist 02' link. The left sidebar provides information about local server mediaplayers, affiliations (Nunavut Independent Television Network - NITV, Cambridge Bay Community Page, Cambridge Bay Radio Online, Cambridge Bay Television, and Multimedia and Human Rights), and a dashboard for channel management including upload options (Video, Audio, Images, Text, Event, Announcement) and networking tools.

5. Click on "EDIT THIS" under the DASHBOARD

6. Edit your playlist by adding and removing videos as well as changing their order.

Note: Make sure to only select videos that are currently available on the MP and not videos still in the process of being downloaded to the Media Player.

Note: Don't forget to save your playlist regularly, even if you have not yet finished (the save button is at the bottom of the page).

Make a note of the node number for your playlist in the address bar (in this example www.isumatv/node/56706)

7. You can now save this new playlist to the Media Player for local broadcast.

Note: The playlist can be modified from any computer but then needs to be saved on the Media Player in order to be broadcasted.

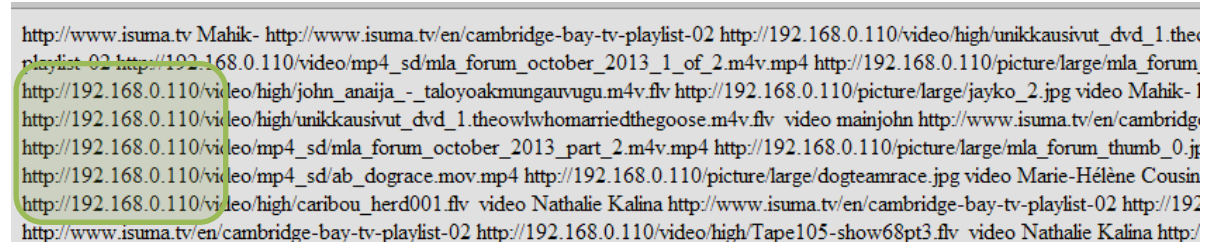

In the address bar type www.isuma.tv/playlist/playlist/node number for your playlist

In this example <http://www.isuma.tv/playlist/playlist/56706>

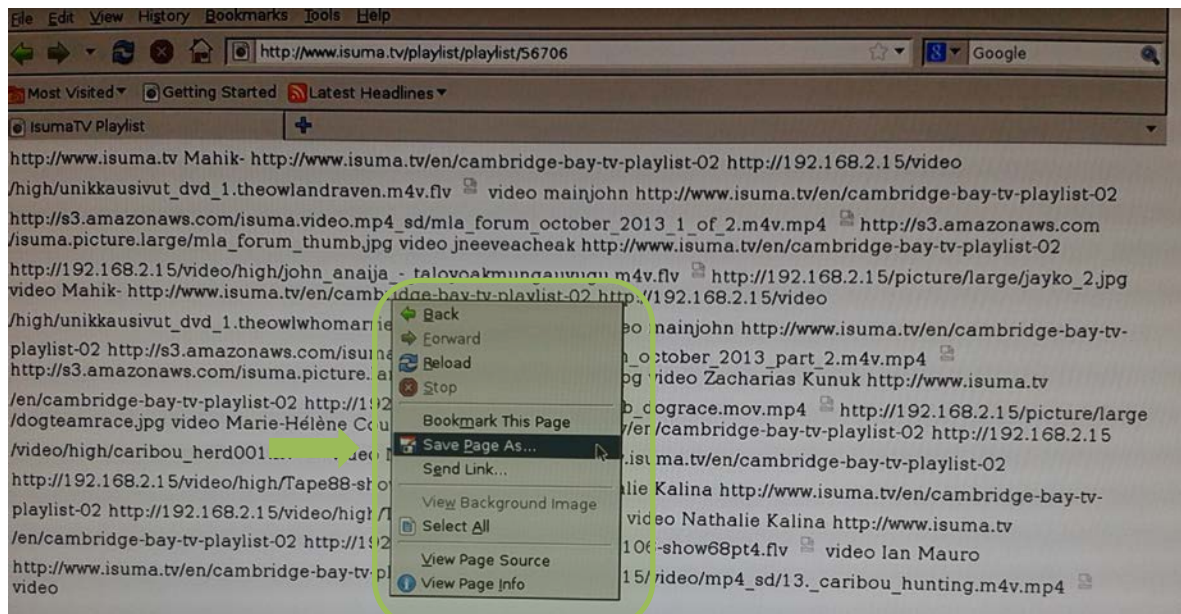

8. Make sure you see the IP address of your local Media Player. In this example: 192.168.0.110

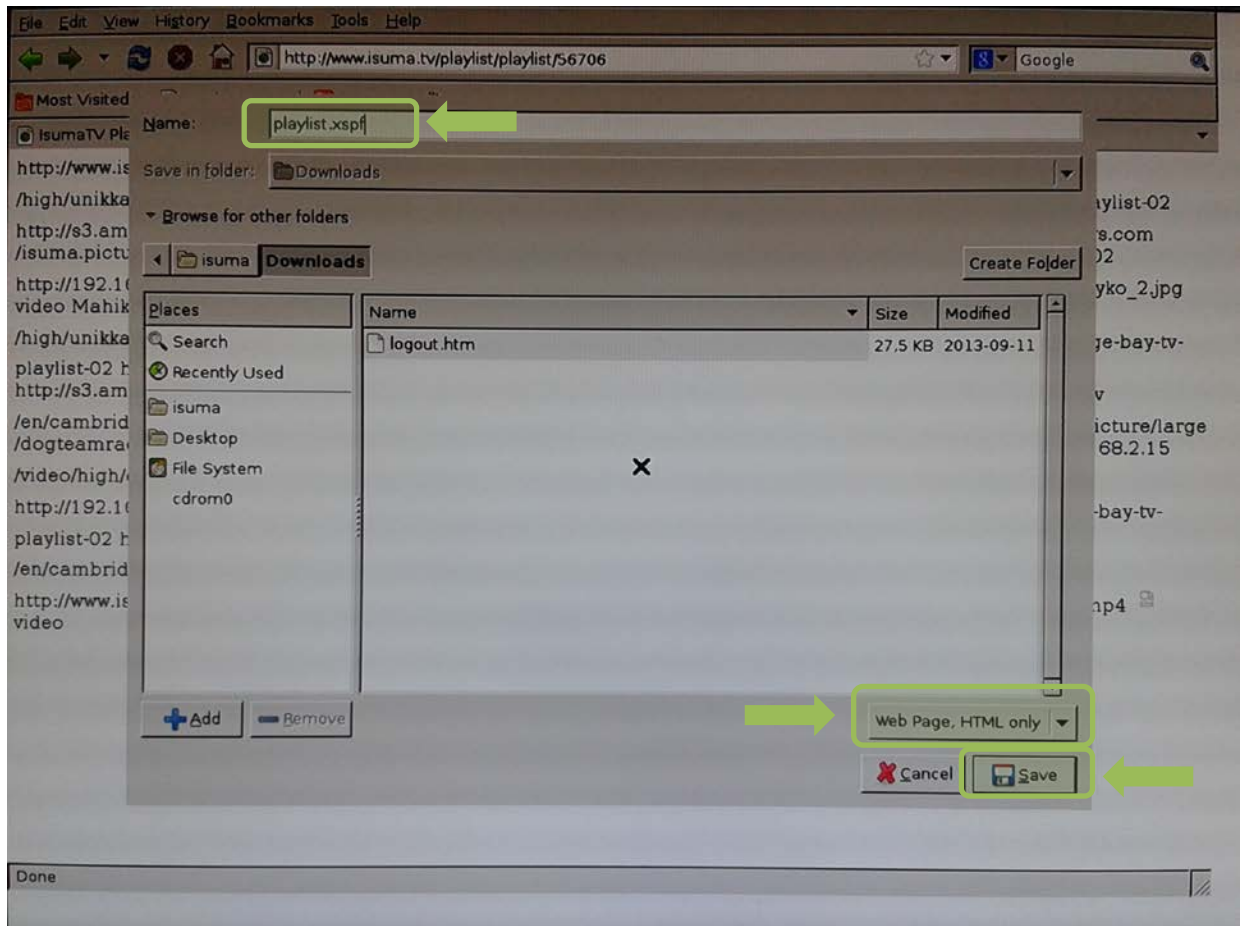

If instead of reading numbers like this one, you see *isuma.tv* or *amazon* this means you are not connected to the Media Player. In this case, return to www.isuma.tv and make sure you have connected to the Media Player and can see the message "You are connected to an IsumaTV Media Player".

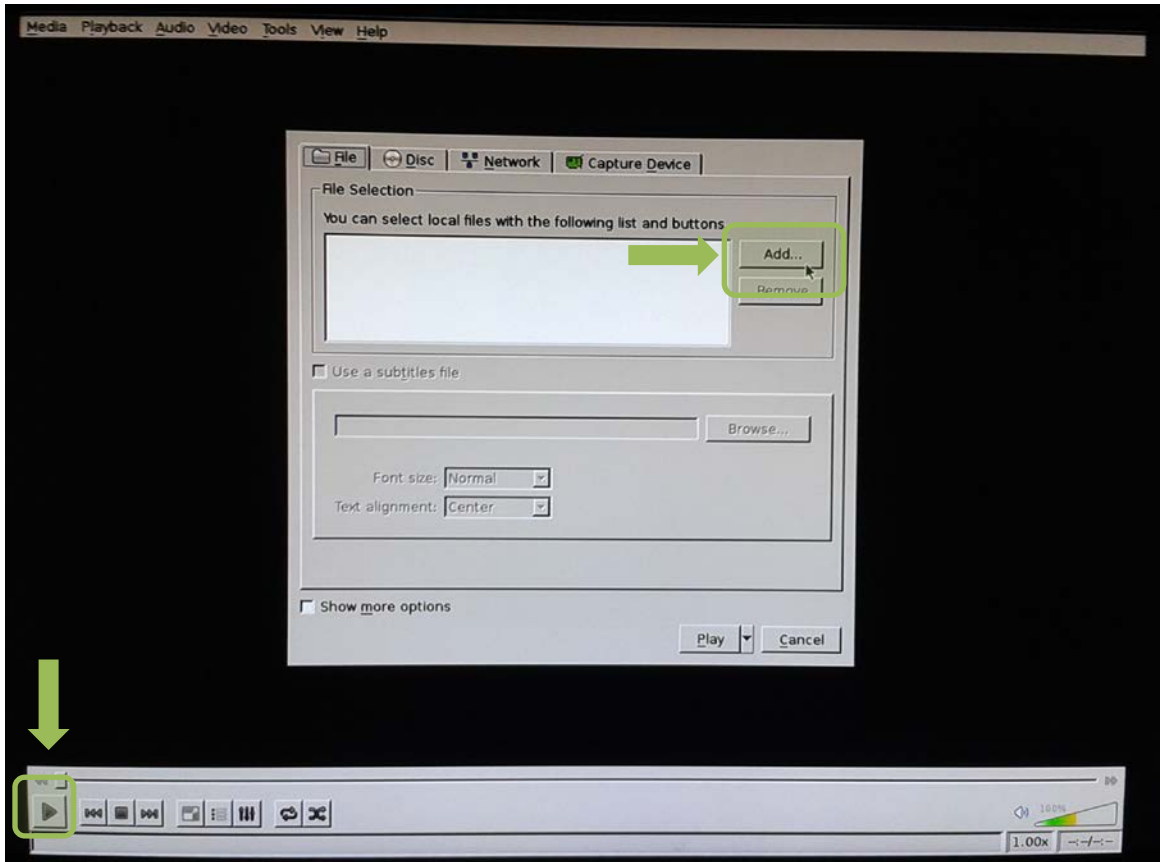

**9. Right-click in the middle of the page.
Select "Save Page as".**

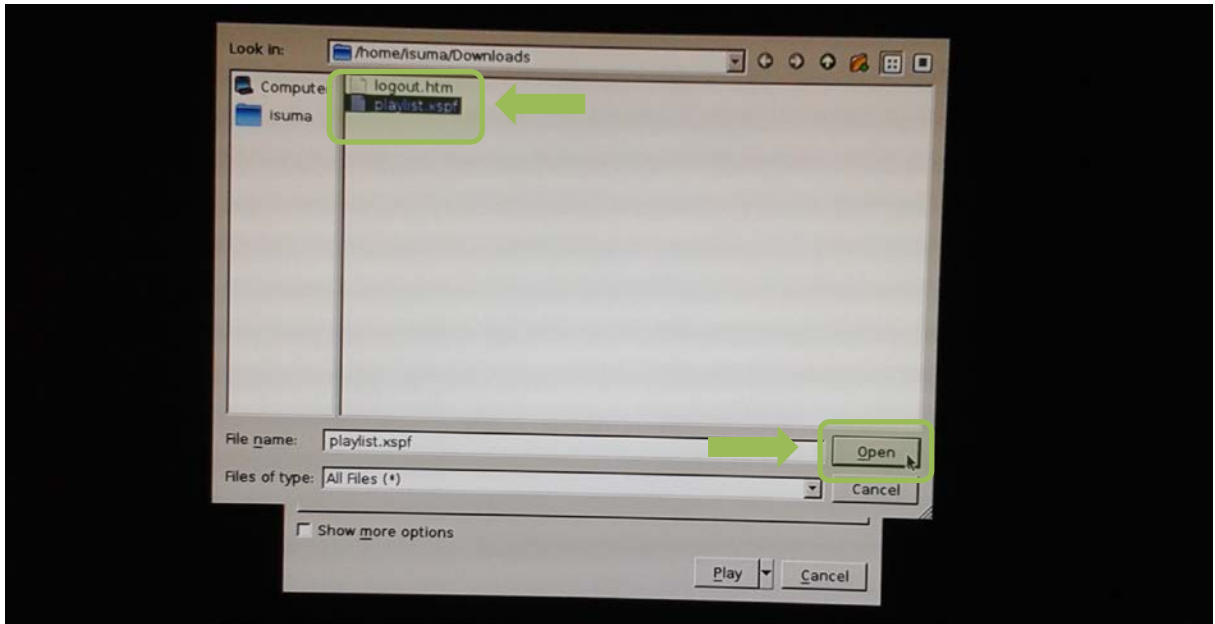

10. Change the file name to *playlist.xspf* (Your file can have any name but it is essential to save it as an .xspf file). Select “WebPage, HTML only” option at the bottom right of the window. Then click “Save”.

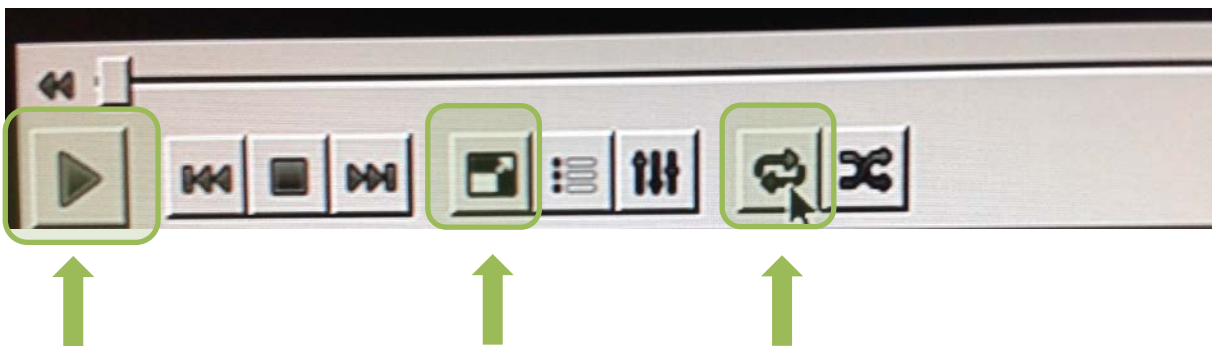

11. You will then return to the www.isuma.tv/playlist/playlist page.
Press the “Ctrl” and “Q” keys on the keyboard to quit this page.
The page will close and a VLC Player window will automatically pop up.
Click the *Play* button.
Then select “Add...”

12. Select your playlist (playlist.xspf).
Click "Open" .

13. Click the *Loop* button and the *Full Screen* button on the VLC Player.
Then Click the *Play* button to begin playing the playlist.

You are now done!

To stop the playlist:

1. Press the "Esc" (escape) key on the keyboard.
2. Under the "Media" menu at the top left of the Player, select "Quit".
3. The VLC Player will close and the web browser will reopen automatically on www.isuma.tv after a short delay.
